HANGAR TALK

THE NEWSLETTER OF THE MINIATURE AERO SPORTSTERS

CLUB PRESIDENT-JACK DUNKLE

From the President ...

Hey all it's your long lost Pres. It's been a very busy summer and also need I mention very hot.

There have been some changes and some warnings made a few weeks ago, so please read the Hangar Talk to keep up with the latest news on what's going on at the field and our club.

Also note there are some very good tips on safety for not only yourself but your fellow members. (Thank you Ken) and the field is in very nice shape. (Thanks Bill H. and all who help keep the equipment running and mowing.)

I'm finally getting back out for the Tue/Sat. Crowd, hope to see you there. As the weather cools and summer vacations come to an end I imagine there will be more flyers out there.

A quick reminder please be careful and stay hydrated, I do have the cabinet filled with water so please use it.

Happy flying, Be Safe.

Jack Dunkle

Safety Officer-Ken Roberts (Absent)

Treasurer's Report given by Dan: 62 members. All bills paid to date, all accounts in good standing. Next major bill coming due in September is Field Lease.

Old Business:

- Runway crack sealing still on the to-do list. Jack will send request for help in Google Groups email. (Pending awaiting cooler weather)
- Sean Sutton's idea regarding some summer fun fly activities was discussed. Details and planning to follow. (Plans pending)
- Back-up web-site administrator access still being worked by Mike Feitinger (Pending)
- Club training program needs continued discussion/planning. Reference removed from web-site for now. (Pending development)
- Planting of 3 additional trees behind the fence (Pending awaiting cooler weather)

New Business:

- Motion to limit club membership to 65 presented by Jack, motion carried and approved.
- Discussion regarding continued maintenance required to keep tractors running resulted in a motion to not lend out equipment to members, motion carried and approved.
- Motion to temporarily restrict flying Turbine powered aircraft at the field was presented by Jack, motion carried and approved. Signs posted at the field and electronic

Jack Dunkle representing both ends of the aviation spectrum recently at LAMA!
